

Anushk Mittal

Born: 8th January, 1999 (17 years)

404-312-4899 anushk@gatech.edu 326188 Georgia Tech Station, Atlanta, GA

OBJECTIVE

Looking for an internship to expand my skills and contribute in making the world a better place.

WORK EXPERIENCE

Founder, SleepIsle

JUNE 2015 – PRESENT

Developed SleepIsle, an app that strives to improve sleep efficiency by accounting for HRV and uses soft melodies for sound sleep. Based entirely on Swift & available as paid app on App Store since September 2015. (iOS, watchOS and tvOS).

First Sleep Tracker available natively for watchOS 2 and tvOS 9. Launched on the Apple TV App Store during the first week with fewer than 100 available apps on the store. Acquired 3000+ active users organically through no advertisement

Received 🍏 WWDC'16 Scholarship, 🍏 Event Invites & fbStart BootStrap (worth \$30000)

Developer, Anvi (FB Messenger Bot)

APRIL 2016 – PRESENT

Developed Anvi, an Artificially Intelligent Virtual being that's capable of sweet short talks to cheer you up.

Visioned a bot with which you can share your thoughts, feelings or just have a conversation when bored without worrying about privacy. Added Bonus, It never fails to cheer you up.

Published on Facebook's Messenger Platform under the name @SleepIsle. Uses ML, and web hooks to understand intents and fetch the correct information.

Author, AppCoda.com

MAY 2016 – PRESENT

Regular Author at AppCoda, writing easy tutorials for implementation of new 🍏 technologies like HealthKit, SiriKit, CareKit etc...

Contributor, The Huffington Post

JUNE 2016 – PRESENT

Invited by Arianna Huffington to join The Huffington Post as a Contributor and share my experiences of being a young developer and efforts to make the world a better place.

Intern, KRBL Ltd. (New Delhi, India)

MAY 2015 – JUNE 2015

Worked with IT professionals to upgrade Production & Monitoring softwares installed throughout the country

Freelancer, Fiverr.com

MAY 2013 – MAY 2015

Worked with clients from across the world on short deadlines to develop websites, designs, and proofs.

Worked as Social Media Marketer & Manager
